CFO CAPABILITY

01

Monthly close & Board reporting

Bi-monthly Board pack, variance commentary, budgets and rolling forecasts. The financial cadence the Board actually relies on.

02

Enterprise risk

Risk frameworks, register and ongoing monitoring. Internal controls and the Board-level conversation on organisational risk capability.

03

Cash flow & working capital

Forecasting, AR/AP cadence, runway management. The treasury rhythm growth-stage businesses need.

04

M&A & transactions

Buy- and sell-side diligence, valuation, deal structuring and owner-side negotiation through transaction processes.

05

Pricing & margin

In-house pricing tooling, engagement economics, recoverability. Final commercial sign-off on tenders and renewals.

06

Financial systems & FinOps

Xero redesign, practice-management platforms, cloud-spend governance across Azure and AWS.

07

Investment cases

Cost estimation, options analysis, ROI, go/no-go calls on the spend that moves the business.

08

AI-native finance

Power user of Anthropic's Claude Cowork. Builds bespoke Claude Code agents and tools — pricing models, costing engines, reporting jobs.

09

Building finance teams

Recruiting, mentoring and developing finance capability — both technical and commercial.

Specialty

Strategic finance, bolstered by AI. Twenty years of senior finance leadership compounded by Claude Cowork and bespoke Claude Code agents — already in production.

Services

Three engagement shapes, defined upfront.

Monthly retainer

Ongoing fractional CFO. Board reporting, monthly close, cash flow, commercial decisions — on a defined cadence.

Project & transaction

Defined scope, defined exit. M&A diligence, capital raise prep, financial-systems implementation, audit support.

Board advisor

Independent finance counsel to Boards and owners — risk and commercial sounding-board between the formal Board cycle.

Endorsements

Previous Clients.

"Pivotal role in advancing the organisation's risk capability and risk management frameworks. Exemplary standards of financial reporting."

Managing Director & Independent Board Chair • Professional services firm

"Soon becoming known as the 'Finance Wizard' – ability to navigate intricate funding models, manage competing priorities, and maintain

absolute clarity on financial position and risk was unmatched."
